Our equipments are operated by experienced operators having knowledge of safety and technical aspects and they are well trained operate at all kind of environment.

The following categories of Equipment

Material Supply

To cater the demand of our elite clients we have strengthened our network in the material supplies as well. We have wide range of engineering goods and services are offered in civil, Mechanical, Electrical & Instrumentation segments of various brands. We also supply various Chemical and Safety Supplies.

Some of the key areas our product ranges are :

Safety Items

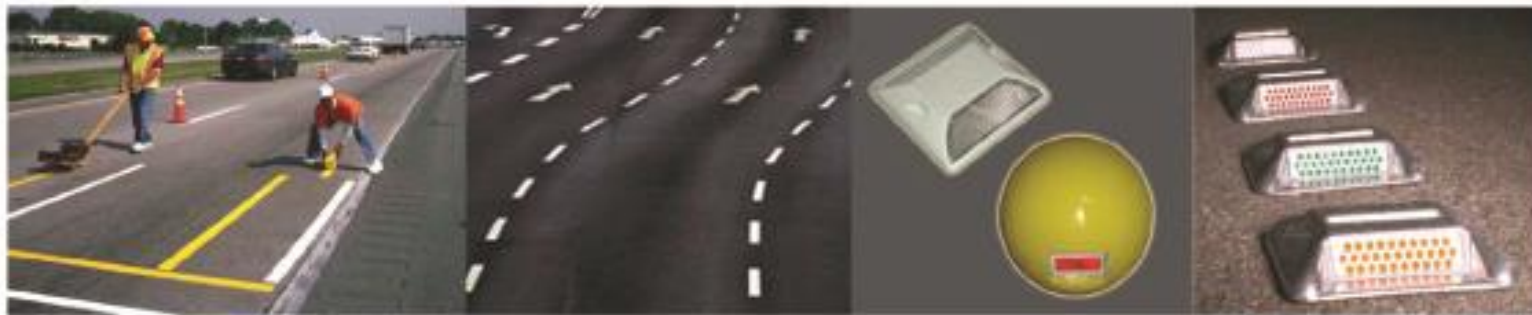

Safety Shoes (Labor Wear & Executive wear), Safety Gum Boot (Rigger) Helmet, Safety Goggles (Clear & Black High quality), All type of Gloves, All type of Coveralls, Ear Muffs & Ear Plugs, Welding Helmets with welding Mask, Welding Glass, Face Shield Visor, Safety Cones, Safety Plastic Rolls etc- etc

Road Marking

The SRC, standard specifies the performance for the road user of white and yellow road markings based on luminance (colour), day-time visibility, night-time visibility and skilled resistance combined with durability. The new specification also introduces the importance of wet-night visibility road markings. An important feature of Profiled Markings is an improved retro reflectivity in wet conditions. Profiled markings thus offer safety benefits in poor weather and additional sensory perception at all times.

Sign Board

We are also familiar in Making Safety boards for roads, Industries, residential & etc., around the kingdom. We can make any size of Sign Boards as per the client's requirement. We have good and wide experience of Safety Board making and installation.
